\*\*Version:\*\* 1.0

\*\*Effective Date:\*\* January 1, 2026

\*\*Department:\*\* Customer Support & Pharmacy Operations

---

## # 1. Purpose

The purpose of this Return & Exchange Policy is to ensure fair, transparent, and safe handling of medicine returns, exchanges, and refunds while complying with pharmaceutical safety standards. Due to the sensitive nature of healthcare products, certain medicines cannot be returned once dispensed.

---

## # 2. Eligibility for Returns

Customers may request a return under the following circumstances:

- Incorrect medicine delivered.
- Wrong dosage strength supplied.
- Incorrect quantity received.
- Product damaged during delivery.

- Product expired at the time of delivery.
- Order cancelled before dispatch.

Return requests must be submitted within **\*\*48 hours\*\*** of receiving the order.

---

### # 3. Non-Returnable Medicines

For safety and regulatory reasons, the following products cannot be returned once delivered:

- Opened medicine packages.
- Prescription medicines that have left the pharmacy.
- Refrigerated or cold-chain medicines.
- Controlled or narcotic medicines.
- Personalized or compounded medicines.
- Products with damaged customer packaging.

Exceptions may be made only if the pharmacy is responsible for the error.

---

### # 4. Exchange Policy

Eligible medicines may be exchanged when:

- The wrong medicine was supplied.
- The wrong strength or dosage form was delivered.
- The product arrived damaged.
- The medicine was expired upon delivery.

Exchange requests are subject to verification by the pharmacy team.

---

## # 5. Refund Processing

Approved refunds are processed using the customer's original payment method.

| Payment Method    | Estimated Refund Time                |
|-------------------|--------------------------------------|
| -----             | -----                                |
| Credit/Debit Card | 5–7 Business Days                    |
| Bank Transfer     | 3–5 Business Days                    |
| Digital Wallet    | 2–4 Business Days                    |
| Cash on Delivery  | Bank Transfer within 5 Business Days |

Shipping charges are refundable only when the pharmacy is responsible for the error.

---

## # 6. Customer Responsibilities

Customers are expected to:

- Inspect the order immediately upon delivery.
- Verify medicine names and quantities.
- Store medicines according to label instructions.
- Report any issues within the specified return window.
- Provide proof of purchase and order number when requesting a return.

---
